Spiritual Instruction – Pastor Deb Coggin

Going Forth

With Holy Communion and/or Prayer
Instructions

As you face the front of the sanctuary, we offer communion on the right and healing prayer on the left. Please allow the ushers to direct you. The line forms on the window side for each and you may exit down the center aisle. Communion is served with non-alcoholic grape juice and a short personal prayer. The station to the far right as you face the altar is for communion only with no personal prayer. Healing prayers are offered for body, mind, emotions and spirit on the left side. Please come and receive either or both or feel free to stay in the sanctuary. We ask you to remain quiet in respect for others. When you are ready, we invite you downstairs for a time of hospitality. May God bless your week.

VOHMCC...WELCOMES YOU

A Special Word for Our Guests

If this is your first time joining us, please feel free to ask questions of our staff, greeters, and welcome team. We want your worship experience to be comfortable and meaningful so that is why we have implemented a Welcome Team in order that we may greet you and get you connected with others in the congregation. Our Welcome team will offer you a Guest Packet which will provide you with important information about our Vision & Mission. Please fill out a Guest Card if you are comfortable doing so. These cards help us to keep in touch with you about future events and connect you to the body of Christ at VOHMCC. The cards are for our information only. As a first time guest, we do not expect you to contribute to today's offering – just relax and enjoy your time with us. We're glad you are here! Please join us downstairs for a time of fellowship after the service.

Jesus Night Out!

Next Gathering:

Thursday, December 9th at 7pm

In prayer, there is a connection between what God does and what you do. For instance, you can't get forgiveness without also forgiving others. Join us on Thursday, December 9th at 7pm as our "Jesus Night Out" focuses on using prayer to learn that if you refuse to do your part, you cut yourself off from God's part.

Jesus Night Out is a special time is offered the 2nd Thursday of every month so that we may praise God, receive prayer, and learn more to help us grow spiritually.

Our time begins with a time of praise, followed by a time of teaching to support us on our journey, and ends with a time of prayer.

There is a saying that goes – Prayer changes things. And one reason this is true is because prayer changes us. We need to pray! So join us.

Everyone is invited to join us! Let us pray together so that indeed we may be "led by Christ, empowered to ROCK the world. Questions: talk with Scott Callaham. You may call Scott at 717-295-7240.

Important Announcement:

If you have bought any items to the church (the IRS calls this "In-Kind Donations"), please turn in your

Receipts ASAP! You can consider this to be a donation, or you can ask for reimbursement. Either way, please turn in the receipts so that we can track expenses so that we will have the most accurate information when it comes time to do budgets in future years.

If you have purchased items in kind as a donation:

- YES, we will add the value to your giving statement.
- YES, the IRS will let you take the deduction if you Itemize your income.
- HOWEVER, please be advised that the IRS is VERY STRICT – You must keep receipts in case you are audited. (If you make an in kind donation, we will return the receipts to you when we are done with them, so you will have them for your records).

Inclement Weather, Cancellations and Delays

What do you do when the weather is bad and something is happening at church?

Vision of Hope MCC will announce delays and cancellations in the following ways:

You can always call the church (717-285-9070) to check for special announcements regarding inclement weather. If you do not have internet access, then be sure that you call the church and listen for any special messages.

For those who have email, you will receive an email regarding delays or cancellations due to inclement weather. Please make sure the office has your current e-mail address – this is very important so that you can be sure to receive timely notices.

You can check WGAL.COM for Sunday Services only on their Closings & Delays section. Please note, this year their services have changed and **you can only check online for our cancellations** – WGAL will no longer list our Sunday Services on the TV.

In addition, we will list our delays and cancellations for Sunday Services on Facebook. Are you a “Friend” on Facebook? Please make sure you have connected with us there.

Every event listed in the bulletin or emails will have contact information for the individual responsible for that activity; so if you are not sure, please contact the individual listed for information and cancellations.

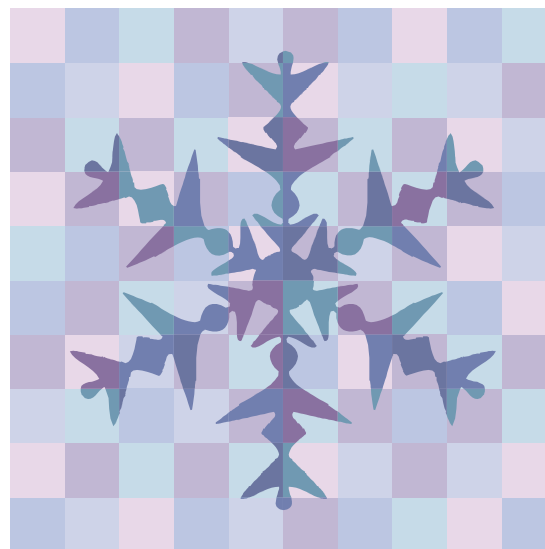

IMPORTANT: Please use your own judgment when deciding about driving in winter weather. If you don't feel it is safe to travel - DON'T GO. We'll miss you, but we'd rather know you are safe at home, than worry about you driving.

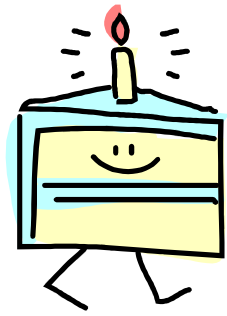

Please remember - if services are canceled due to inclement weather, the church still needs your support. Your tithe may be mailed to Treasurer c/o Vision of Hope, 130 E. Main Street, Mountville, PA 17554.

READING AND YORK CANCELLATIONS:

Pastor Jen will make decisions regarding cancellations for Reading events. You may reach her at jenglass@visionofhopemcc.org

Christmas Giving

"Whatever you think the world is withholding from you, you are withholding from the world." "Whatever you think people are withholding from you--praise, appreciation, assistance, loving care, and so on--give it to them." "You cannot receive what you don't give. Outflow determines inflow." Eckhart Tolle

I have found that among its other benefits, giving liberates the soul of the giver. Maya Angelou

"It is possible to give without loving, but it is impossible to love without giving." John Wesley (1703 – 1791)

As followers of Christ, giving is a way of life. And Christmas is especially a time of giving. As we prepare for the season of Christmas, please pray about how you might give to God through Vision of Hope.

Our General Fund holds our weekly giving. We have had a tough year, so you might choose to give extra to our general fund.

Our Benevolence Fund is the fund from which we help people in need. This fund allows us to reach out to the community and lend a helping hand.

As you can imagine, it takes a lot to run the church and we always need items you can purchase at the store such as paper products - toilet paper, paper towels, plates, cups, bowls, napkins. We need cleaning

supplies for kitchen, bathroom and the sanctuary. We need white office paper, color paper, pens, pencils and markers. Maybe as you are out shopping, you might pick up an item or two to help out in this way.

Finally, if you have been extra blessed this year and would like to contribute to a special gift, might we make a suggestion. We are hoping to purchase two projectors; one for Reading and one for York to be used for worship. We believe this would raise the quality of worship. If you would like to make a special gift for this equipment, please just mark your check or envelope with the word projector.

We appreciate all you do for Vision of Hope MCC and may you be blessed by your continued giving.

Peace Pastor Deb

If you are interested in giving to any of these funds, just mark your check or envelope with name of the fund to which you want to contribute.
